2025 Ford Explorer

The 2025 Ford Explorer Active 4WD arrives in a crisp White exterior combined with a sophisticated Gray interior, offering a robust 4x4 drivetrain that enhances your driving experience on various terrains. This SUV is designed with both style and functionality in mind, featuring alloy wheels that complement its commanding presence.

Inside, the Explorer Active is fitted with premium elements including heated seats and a leather steering wheel, ensuring comfort on every journey. The advanced design is matched with a plethora of features like a navigation system and keyless entry that add to its modern appeal.

For those tech-savvy drivers, this model comes packed with smart device integration and a built-in Wi-Fi hotspot, keeping you connected wherever you are. Safety is paramount with features such as lane assist, brake assist, and parking sensors, providing peace of mind on the road. Adaptive cruise control takes the stress out of driving, allowing for a more enjoyable trip.

This Explorer model appeals particularly to families and adventure enthusiasts who value versatility and cutting-edge technology in their vehicles. Don't miss your chance to elevate your driving experience; contact the dealership to learn more about the Ford Explorer Active 4WD and make it your own.
