2023 GMC Sierra 3500HD

2025 Chevrolet Silverado 1500 Crew Cab LT | 5.3L V8 | 51,548 km | Truck Season Ready

Canadian strength meets everyday comfort.

The 2025 Chevrolet Silverado 1500 Crew Cab LT is built for the way Canada works and plays. Whether you're towing a boat to the lake, hauling gear for a job site, or loading up the family for a weekend adventure, this half ton delivers the capability, space, and refinement you expect from a modern full-size truck.

With **51,548 km**, this Silverado is thoroughly broken in yet still carries the remainder of its factory warranty—offering the perfect combination of proven reliability and significant savings over a brand-new unit.

The Heart of a Workhorse:

Under the hood sits the legendary **5.3L V8 engine**—a proven powerhouse that delivers confident towing capability, smooth acceleration, and the unmistakable rumble that truck owners love. Paired with a responsive automatic transmission, this powertrain is ready for everything from highway cruising to heavy-duty tasks.

Spacious Crew Cab Comfort:

The Crew Cab configuration is the ultimate choice for Canadian families and crews. With generous rear legroom, adults ride in comfort on long hauls. The LT trim level strikes the ideal balance between rugged utility and premium amenities, featuring:

- Heated front seats for those cold prairie mornings
