2020 Chevrolet Bolt EV

*GM CERTIFIED PRE-OWNED RATES @ 0.99% O.A.C

Efficient, modern, and packed with smart technology, this 2020 Chevrolet Bolt EV LT is the perfect choice for drivers looking to step into the world of electric driving without compromising practicality. Finished in a clean white exterior paired with a stylish grey interior, this well-maintained, pre-owned Bolt EV offers an impressive balance of performance, low operating costs, and everyday usability. With 67,350 kms, it's a fantastic opportunity to own a forward-thinking vehicle at an exceptional value.

Powered by a 66-kWh battery, this Bolt EV delivers smooth, instant acceleration and a quiet, refined driving experience—ideal for both city commuting and highway travel. Inside, you'll find a thoughtfully designed cabin featuring a large 10.2-inch touchscreen with Apple CarPlay and Android Auto, making it easy to stay connected on the go. Automatic climate control, a leather-wrapped steering wheel, and a digital instrument cluster add comfort and convenience, while features like keyless entry and a rear vision camera make everyday driving effortless. Chevrolet's Teen Driver technology and advanced safety features provide added confidence behind the wheel.

This quality inspected vehicle has undergone a thorough professional inspection and reconditioning process at our GM dealership, ensuring it meets the highest standards for reliability and performance. When you choose this used Chevrolet Bolt EV, you're choosing peace of mind and long-term value.

Don't miss your chance to own this efficient and tech-savvy electric vehicle. Contact us today to book your test drive or secure this pre-owned Bolt EV before it's gone!
