2023 Chevrolet Bolt EUV

Check out this **2023 Chevrolet Bolt EUV LT FWD** finished in black — a practical and efficient all-electric crossover that delivers impressive range, modern technology, and everyday versatility. With **one owner** and **no accidents**, this Bolt EUV is an excellent choice for BC drivers looking to lower fuel costs while enjoying the comfort, space, and convenience of a modern electric vehicle.

Powered by Chevrolet's proven **all-electric powertrain**, the Bolt EUV delivers instant torque, smooth acceleration, and a quiet driving experience that makes commuting around Kamloops and exploring BC more enjoyable. With impressive electric range and low operating costs, it's a smart option for both daily driving and longer road trips.

The **EUV** (Electric Utility Vehicle) design offers additional passenger room and cargo versatility compared to the standard Bolt, giving you more space for groceries, luggage, sports equipment, or everyday essentials while maintaining easy manoeuvrability around town.

Inside, the **LT trim** features a modern cabin equipped with **heated front seats, heated steering wheel, wireless Apple CarPlay, wireless Android Auto, large touchscreen infotainment system, wireless charging capability, automatic climate control, remote start**, and advanced safety technologies designed to keep you connected and confident on every drive.

Finished in black with sleek styling and a modern EV design, this Bolt EUV offers a premium appearance while delivering the efficiency and practicality electric vehicle owners appreciate.

This **2023 Chevrolet Bolt EUV LT FWD** has undergone a comprehensive **150-POINT INSPECTION** by our certified technicians for added confidence and peace of mind.
