2019 Honda Civic Type R

FREE DELIVERY IN NORTHERN AB/BC!

The 2019 Honda Civic Type R is built for those who live for the thrill of the drive. With its aggressive design, race-inspired performance, and everyday practicality, it's a precision machine engineered to ignite passion behind the wheel.

Beneath the hood lies a 2.0-litre turbocharged VTEC® engine, unleashing 306 horsepower and 295 lb-ft of torque through a close-ratio 6-speed manual transmission with rev-match control. Every shift is crisp, every corner precise, thanks to a limited-slip differential, adaptive suspension, and Brembo® performance brakes. Whether you're carving through twisty backroads or enjoying a spirited drive through town, the Type R responds instantly and confidently.

Inside, the cockpit is pure sport. Deep red bucket seats, a racing-style aluminum shift knob, and a flat-bottom steering wheel set the tone for performance. Yet, despite its track-ready attitude, the Type R remains surprisingly practical—with 60/40 split-folding rear seats and ample cargo space for everyday use.

Technology is modern and intuitive, featuring a 7-inch Display Audio touchscreen, Apple CarPlay®, Android Auto™, and a premium 540-watt audio system. Dual-zone climate control and smart key entry ensure comfort and convenience match the excitement.

From its bold triple exhaust and massive rear wing to its precise handling and turbocharged power, the 2019 Honda Civic Type R is a true driver's car—crafted to thrill, engineered to perform, and built to be driven.
