2023 Tesla Model Y

Introducing the 2023 Tesla Model Y Long Range, in a stunning gray finish and equipped with an advanced AWD drivetrain for superior handling in various conditions. This SUV is designed for drivers who appreciate the blend of style, luxury, and performance in one impressive package.

The exterior of the Model Y Long Range is sleek and modern, boasting alloy wheels that complement its aerodynamic silhouette. Inside, you'll find a spacious cabin with luxurious features like heated front and rear seats, power seats, and power windows for optimal comfort. The sunroof/moonroof adds an extra touch of elegance and a connection to the outside world while you drive.

Technology enthusiasts will be thrilled with the navigation system and smart device integration, allowing you seamless connectivity at all times. Safety and driver assistance features are paramount, with a suite of options including a backup camera, lane assist, and adaptive cruise control to enhance your driving confidence.

The Tesla Model Y is perfect for eco-conscious families and tech-savvy professionals who demand both efficiency and innovation. Contact Mainland Ford today to learn more about how you can get behind the wheel of this remarkable vehicle.
