2024 Honda CR-V Hybrid

The 2024 Honda CR-V Hybrid Touring is where modern efficiency meets refined comfort. As the top-tier trim in Honda’s best-selling SUV lineup, this hybrid offers everything—sleek styling, premium features, intelligent technology, and exceptional fuel economy—all wrapped in a smart, confident package.

Under the hood, the CR-V Hybrid Touring features Honda’s advanced two-motor hybrid system, producing 204 combined horsepower while delivering impressive fuel efficiency at just 6.0L/100 km combined. With standard all-wheel drive, it’s ready for Canadian roads in all seasons—smooth in the city, confident in the snow, and efficient everywhere in between.

Step inside, and you’re welcomed by a quiet, upscale interior designed with both comfort and convenience in mind. You’ll find leather-trimmed seating, heated front and rear seats, a heated steering wheel, and dual-zone climate control. The spacious cabin offers generous cargo room and rear-seat legroom, making it ideal for families, commuters, and weekend adventurers alike.

Technology comes fully loaded, with a 9-inch touchscreen, built-in navigation, wireless Apple CarPlay®, Android Auto™, and a 12-speaker Bose® premium audio system that delivers immersive sound throughout the cabin. Wireless charging, a digital instrument display, and a hands-free power tailgate add everyday ease to your drive.

Safety is front and centre with the Honda Sensing® suite of driver-assist features, including adaptive cruise control, blind spot monitoring, lane keeping assist, traffic jam assist, and collision mitigation braking. It’s smart safety, built in.

With its bold design, advanced hybrid technology, and luxury-level features, the 2024 Honda CR-V Hybrid Touring is ready to elevate every kilometre.
