2022 Honda Ridgeline

Experience the perfect blend of rugged capability and refined comfort with the 2022 Honda Ridgeline Touring in striking Obsidian Blue Pearl, designed for drivers who demand versatility and sophistication.

This AWD crew cab pickup features a robust V6 engine paired with a smooth 6-speed automatic transmission, delivering confident performance on city streets and challenging terrains alike. The Ridgeline's innovative brake-actuated limited-slip differential enhances traction, making it a reliable companion in all weather conditions. Inside, premium leather seats with heating and cooling functions ensure comfort for every journey, while power-adjustable driver and passenger seats with memory settings cater to personalized convenience. The spacious rear bench offers heated seating, perfect for passengers on chilly Canadian mornings.

Safety is paramount with advanced features such as blind spot monitoring, lane keeping assist, front collision mitigation, and cross-traffic alert, providing peace of mind whether navigating busy urban roads or winding country routes. The integrated navigation system and multi-zone climate control add to the Ridgeline's user-focused design, while the remote engine start and keyless entry bring added ease to your daily routine.

With its combination of rugged utility, refined interior, and cutting-edge technology, the 2022 Honda Ridgeline Touring is tailored for those who value capability without compromising comfort.
