2016 Volvo XC90 Hybrid

The Volvo XC90 T8 Inscription stands out as a sophisticated blend of innovation and understated luxury. As Volvo's flagship plug-in hybrid SUV for 2016, it pairs a supercharged and turbocharged four-cylinder engine with an electric motor to deliver an impressive 400 horsepower while maintaining remarkable efficiency for its class. The T8 powertrain allows for smooth, near-silent electric driving on short commutes, then seamlessly transitions to hybrid power for confident highway performance. Inside, the Inscription trim showcases Scandinavian craftsmanship with soft Nappa leather seats, genuine wood trim, a crystal gear selector, and a large portrait-style touchscreen that controls most vehicle functions. Advanced safety technologies—true to Volvo's reputation—provide peace of mind, making the XC90 T8 Inscription not only a powerful and eco-conscious SUV, but also a refined and family-friendly luxury vehicle.
