2022 Tesla Model Y

2022 Tesla Model Y Long Range | BC Registered | Bluetooth | Heated Seats | Moonroof | Navigation

The 2022 Tesla Model Y Long Range AWD in a pristine white finish offers exceptional handling with its advanced AWD drivetrain. This SUV is both visually stunning and functionally designed, featuring stylish alloy wheels, a sleek profile, and a modern aesthetic.

Inside, the black interior creates a sophisticated atmosphere, complemented by a host of features designed for comfort and convenience, including heated seats in both the front and rear, a heated steering wheel, and power-adjustable seats. The inclusion of a sunroof/moonroof adds an open, airy feel to the cabin.

Equipped with cutting-edge technology, this Model Y boasts a comprehensive navigation system and a smart device integration that keeps you connected on the go. For peace of mind while driving, benefit from the array of safety features such as lane assist, brake assist, and adaptive cruise control, alongside parking sensors and a backup camera.

This Tesla Model Y is perfect for environmentally conscious drivers and tech enthusiasts who value innovative features and luxurious comfort. Don't miss the chance to elevate your driving experience
