2025 Ford Bronco Sport

Our 2025 Ford Bronco Sport Outer Banks 4x4 in Oxford White is here to help your inner explorer roam free with the Sasquatch and Outer Banks Tech Packages! Motivated by a TurboCharged 1.5 Litre EcoBoost 3 Cylinder supplying 181hp to an 8 Speed Automatic transmission engineered for real-world capability. This Four Wheel Drive SUV also lets you fine-tune performance with a multi-mode terrain system, and it returns approximately 8.4L/100km on the highway. Rugged and distinctive, our Bronco Sport looks good on the road or off with a stylish Shadow Black roof, LED lighting, fog lamps, a flip-up rear window, a power sunroof, and alloy wheels.

Heated premium-trimmed power front seats, a heated-wrapped steering wheel, and dual-zone automatic climate control help keep you comfortable in our Outer Banks cabin even when the going gets tough outside. Additional amenities include keyless access/ignition, remote start, a 110V/150W outlet, and a SYNC-power infotainment system. It bundles a 13.2-inch touchscreen, a 12.3-inch driver display, Apple CarPlay®, WiFi compatibility, Android Auto®, Bluetooth®, voice recognition, and a six-speaker sound system for connecting to your world.
