2016 Ford Escape

This white 2016 Ford Escape SE FWD is a rare find—offering low mileage, outstanding condition, and a perfect blend of everyday practicality and modern comfort. With just over 60,000 kilometers on the odometer, this Escape stands out as an excellent option for drivers who want a reliable, fuel-efficient compact SUV with plenty of features, flexible interior space, and sharp, sporty styling. Whether you’re a solo commuter, a young family, or someone downsizing without sacrificing versatility, this Escape is designed to deliver a stress-free driving experience for years to come.

Under the hood, you’ll find Ford’s spirited 1.6-liter EcoBoost turbocharged four-cylinder engine, delivering a great balance of power and efficiency. Paired with a responsive six-speed automatic transmission, it provides smooth shifts and confident acceleration, while remaining light on fuel—making it ideal for city driving and long-distance travel alike. And as a front-wheel drive model, this Escape benefits from even better fuel economy and reduced maintenance costs over time, all without compromising on capability or driving confidence.

Slide into the cabin and you’re greeted by a clean, intelligently designed interior. The SE trim offers a perfect middle ground between functionality and comfort. Premium cloth seats provide excellent support for both short trips and longer journeys, while the driver’s seat features full power adjustability for optimal positioning. The cabin feels open and spacious, with ample headroom and legroom in both rows, making it a great choice for passengers of all ages. You’ll also appreciate the quiet ride quality and refined suspension tuning, especially on rougher roads.

Versatility is where the Escape shines. With seating for five and split-folding rear seats, you can easily transform the interior from passenger-hauling mode to cargo-carrying duty in seconds. The generous rear cargo area is perfect for grocery runs, luggage, or sports gear, and expands significantly with the rear seats folded flat. Whether you’re running errands in town or packing up for a weekend getaway, this Escape adapts quickly to whatever your lifestyle demands.

When it comes to tech, the 2016 SE trim doesn’t disappoint. It comes equipped with Ford’s SYNC infotainment system, offering hands-free calling, voice-activated controls, Bluetooth audio streaming, and steering-wheel-mounted controls for easy access to your music and phone. The center display is intuitive and easy to use,
