2017 Honda Civic Sedan

Efficient, dependable, and stylish, this 2017 Honda Civic LX is a fantastic choice for drivers searching for a reliable and fuel-efficient compact sedan. Finished in a sleek grey exterior with a clean black interior, this used Honda Civic delivers the comfort, practicality, and long-term value that have made the Civic one of the most trusted names in the automotive world. Whether you're commuting daily, shopping for a first vehicle, or simply looking for an affordable and dependable pre-owned car, this Civic checks all the right boxes.

Under the hood, the proven 2.0L 4-cylinder engine provides a smooth and responsive driving experience while maintaining excellent fuel economy for everyday driving. Inside, the thoughtfully designed cabin offers premium cloth seating, automatic climate control, cruise control, power windows and locks, and impressive passenger comfort for both short trips and longer highway drives. The spacious interior and refined ride quality make this sedan practical and enjoyable to own.

Technology and safety features help elevate the experience even further. The 5-inch color LCD display includes AM/FM audio, Bluetooth connectivity, and speed-sensitive volume control for added convenience on the road. A multi-angle rearview camera with dynamic guidelines provides extra confidence when parking or reversing, helping make this quality inspected vehicle easy to drive in busy urban environments.

This pre-owned Honda Civic has undergone a professional inspection and reconditioning process at our Nissan dealership, ensuring it meets high standards for quality, reliability, and peace of mind. If you're looking for a smart and affordable used sedan with proven reliability and excellent value, this Civic LX is ready for its next owner. Contact us today to schedule your test drive.
