2025 Audi A3 Sedan

Experience the perfect blend of sporty performance and refined comfort with the 2025 Audi A3 Sedan Progressiv in striking Python Yellow Metallic, designed for drivers who demand style and agility.

This AWD sub-compact sedan features a turbocharged 4-cylinder engine paired with a 7-speed automatic transmission with dual shift mode, delivering responsive acceleration and confident handling in all conditions. The mild hybrid system enhances fuel efficiency while maintaining dynamic performance. Step inside to find luxurious leather bucket seats with heated front cushions and adjustable lumbar support for both driver and passenger, ensuring comfort on every journey. The power-adjustable front seats and pass-through rear bench add versatility and convenience.

Safety is paramount with advanced features including blind spot monitoring, lane departure warning, front collision mitigation, and cross-traffic alert, all supported by a comprehensive airbag system and stability control. The adaptive cruise control and automatic parking assist simplify driving in busy urban environments.

Stay connected effortlessly through Bluetooth and smart device integration, while the LED headlights and rain-sensing wipers enhance visibility and safety. Finished with aluminum wheels and a sun/moonroof, the Audi A3 Sedan Progressiv offers a compelling combination of technology, luxury, and performance for the discerning Canadian driver.
