2019 Toyota RAV4

The 2019 Toyota RAV4 Hybrid Limited blends intelligent efficiency with everyday luxury—offering the reliability you expect from a RAV4, with the added benefit of hybrid power and top-tier comfort. It’s the SUV that’s smart on fuel, strong on features, and ready for anything.

Under the hood, the RAV4 Hybrid Limited is powered by a 2.5-litre 4-cylinder engine paired with Toyota’s Hybrid Synergy Drive, delivering a combined 219 horsepower through a CVT and Electronic On-Demand All-Wheel Drive. It’s quick off the line, smooth in traffic, and remarkably efficient—consuming as little as 6.0 L/100 km combined.

Inside, this Limited trim offers a refined and upscale cabin. You’ll enjoy leather-trimmed seats, heated and ventilated front seats, a power-adjustable driver’s seat with memory, heated rear seats, and a heated steering wheel. Add in dual-zone climate control and a panoramic sunroof, and it’s ready for comfort in every season.

Technology is everywhere, starting with the 8-inch touchscreen, Apple CarPlay®, Android Auto™, Bluetooth®, navigation, and a JBL® premium audio system. There’s also wireless phone charging, smart key access with push-button start, and a hands-free power liftgate for everyday convenience.

Toyota Safety Sense™ 2.0 comes standard, including adaptive cruise control, lane tracing assist, blind spot monitoring, rear cross-traffic alert, and pre-collision braking with pedestrian detection—helping you stay protected at every turn.

Efficient, stylish, and loaded with premium features, the 2019 Toyota RAV4 Hybrid Limited is the SUV that proves you don’t have to choose between brains and beauty.
