2015 Nissan Murano

This vehicle is AS IS. The 2015 Nissan Murano SL is a midsize crossover SUV that focuses on comfort, style, and a smooth driving experience. Powered by a 3.5-litre V6 engine producing around 260 horsepower, it delivers confident acceleration paired with a continuously variable transmission (CVT) for a relaxed, quiet ride. The SL trim adds a more upscale feel with leather-appointed seating, heated front seats, a power liftgate, and an advanced navigation system. Its cabin stands out for its modern, lounge-like design, offering generous space and supportive seats for both front and rear passengers. With its refined suspension and attention to interior comfort, the Murano SL is well-suited for drivers who prioritize a calm, comfortable daily drive with a touch of sophistication.
