## 2022 Ford Explorer

The 2022 Ford Explorer Limited is a refined and capable SUV that blends premium comfort, advanced technology, and everyday versatility in one stylish package. Its bold exterior design, signature grille, and sleek body lines give it a confident presence on the road while maintaining a sophisticated look.

Powered by a responsive and capable engine, the Explorer delivers smooth acceleration and confident performance for city driving, highway cruising, and family road trips. The ride is comfortable and composed, with handling that feels balanced and controlled in a variety of driving conditions.

Inside, the Limited trim offers an upscale cabin designed for comfort and convenience. Leather seating, heated and ventilated front seats, and a heated steering wheel create a premium atmosphere for every drive. The spacious three row layout provides generous room for passengers, while flexible seating and cargo space make it easy to adapt for luggage, sports gear, groceries, or travel equipment.

Technology is a standout feature with a large touchscreen infotainment system featuring Apple CarPlay and Android Auto integration, navigation, and a premium sound system for an elevated driving experience. Wireless charging, multiple USB ports, and advanced driver displays help keep everyone connected and organized on the go.

Ford Co-Pilot360 safety technology adds confidence behind the wheel with advanced features like adaptive cruise control, blind spot monitoring, lane keeping assist, and pre collision assist designed to support driver awareness and safety.

The 2022 Ford Explorer Limited is an excellent SUV for drivers who want premium comfort, modern technology, spacious versatility, and dependable performance in one well rounded package. Book your test drive with Bannister GP Kia today!
