With three rows of seating, upscale finishes, and strong V6 power, this Pathfinder is ready for road trips, daily drives, and everything in between.

Under the hood, it's powered by a 3.5-litre V6 engine pushing out 284 horsepower and 259 lb-ft of torque, paired with a CVT (Continuously Variable Transmission) and intelligent 4x4 system. Whether you're navigating snowy roads or hitching up a trailer, it's ready—with a towing capacity of up to 2,722 kg and fuel economy as low as 10.1L/100 km combined.

Inside, the SL Premium trim surrounds you with comfort and practicality. The tri-zone climate control, panoramic sunroof, and spacious third-row seating make it ideal for families who need flexibility and room to grow.
