## 2023 GMC Sierra 1500

The GMC Sierra 1500 AT4 is a rugged and capable off-road-oriented full-size pickup that blends strong performance with purposeful design. Built for adventure, the AT4 features an off-road suspension with Rancho monotube shocks, skid plates, and a two-speed transfer case that help it tackle rough terrain with confidence. Its bold exterior styling includes a distinctive grille, all-terrain tires, and black-accented trim that give it a tough, ready-for-action look. Inside, the cabin offers a comfortable and tech-friendly experience, with premium cloth or optional leather seats, a large infotainment touchscreen with smartphone integration, and a suite of safety features to keep drivers and passengers secure. With capable towing and hauling capacity, plus features designed for off-road use, the 2023 Sierra 1500 AT4 is an excellent choice for drivers who want both performance and versatility.
