Our Lariat cabin delivers a higher level of comfort with heated/ventilated leather power front seats, a heated leather power steering wheel, dual-zone automatic climate control, power-adjustable pedals, 120V/400W outlets, and a power sliding rear window. Designed like a mobile command center, it features a 12-inch touchscreen, a 12-inch driver display, connected navigation, wireless charging, WiFi compatibility, wireless Apple CarPlay® and Android Auto®, Bluetooth®, voice recognition, and a premium B&O® sound system that turns every drive into a rewarding experience.
