## 2025 Chevrolet Equinox

### \*GM CERTIFIED PRE-OWNED RATES @ 3.99% O.A.C

The 2025 Chevrolet Equinox RS AWD delivers an exciting blend of sporty style, confident performance, and everyday practicality—making it one of the most appealing choices in the compact SUV segment. From the moment you see it, the RS sets itself apart with its athletic, blacked-out design cues, striking grille, sleek LED lighting, and bold 19-inch wheels. The RS trim brings a more aggressive, upscale presence that stands out on the road while still offering all the versatility the Equinox is known for.

Inside, the 2025 Equinox RS continues to impress with a refined, driver-focused cabin designed for comfort and convenience. Premium sport-inspired seating, contrast stitching, and RS-exclusive interior touches create a polished yet energetic atmosphere. With generous passenger space, excellent visibility, and versatile cargo capacity, this SUV makes daily commuting, weekend travel, and family life feel seamless. Whether you're navigating city streets or embarking on longer trips, the quiet cabin and high-quality materials make every moment enjoyable.

Technology is a major highlight in the 2025 Equinox RS. The large, responsive touchscreen integrates smoothly with wireless Apple CarPlay and Android Auto, keeping your apps, navigation, and entertainment front and center. Additional conveniences such as remote start, keyless entry, and available wireless charging enhance the modern driving experience. Chevy's newest infotainment platform ensures quick performance and intuitive controls, letting you stay connected without distraction.

On the road, the Equinox RS AWD offers a balanced and confident drive thanks to its smooth, efficient turbocharged 1.5L engine. The advanced all-wheel-drive system gives you added stability and traction, perfect for Canadian weather, weekend adventures, or simply tackling an uneven road with ease. Its composed ride, responsive steering, and strong fuel efficiency make it a practical choice for those who want both fun and function in one package.

Safety remains a cornerstone of the Equinox, and the 2025 RS is equipped with Chevrolet Safety Assist—an advanced suite of driver-assistance technologies including automatic emergency braking, lane-keep assist, forward collision alert, and more. Combined with its excellent build quality and proven reliability, the Equinox provides
