2024 Chrysler Grand Caravan

The 2024 Chrysler Grand Caravan SXT is the minivan that blends everyday practicality with a touch of style. Designed for families who need space, comfort, and smart features, it's built to make every trip—from morning school runs to weekend getaways—smooth and stress-free.

Power comes from a proven 3.6-litre Pentastar™ V6 engine, producing 287 horsepower and 262 lb-ft of torque, paired with a 9-speed automatic transmission for refined, efficient performance. Whether you're navigating city streets or cruising the highway, it delivers confident power with a fuel economy rating of around 10.6 L/100 km combined.

The SXT trim brings thoughtful features like power sliding doors, a power liftgate, tri-zone climate control, and heated front seats for year-round comfort. Chrysler's signature Stow 'n Go® seating makes it easy to switch from carrying up to seven passengers to hauling larger cargo—fold the seats flat into the floor, and you've got a massive, flat load space in seconds.

Inside, you'll find a comfortable and functional cabin with cloth seating, second-row captain's chairs, and plenty of storage cubbies for everyone's gear. Tech is well-covered with a 7-inch touchscreen, Apple CarPlay® and Android Auto™, Bluetooth®, and a rearview camera to make parking and reversing a breeze.

Safe, versatile, and easy to live with, the 2024 Chrysler Grand Caravan SXT delivers the space and flexibility your life demands—without feeling like you're driving a bus.
