## 2020 GMC Sierra 1500

Luxury, capability, and diesel efficiency come together in this 2020 GMC Sierra 1500 Denali Crew Cab. Powered by a refined and efficient 3.0L Duramax turbo-diesel engine paired with a smooth 10-speed automatic transmission, this premium full-size truck delivers impressive towing capability, confident highway performance, and excellent long-distance comfort. With its bold styling, advanced technology, and upscale interior, this used GMC Sierra Denali is an ideal choice for drivers who want professional-grade capability without compromising on luxury.

Inside, the Denali trim offers a premium driving experience with perforated leather-appointed seating, heated and vented front seats, and heated rear seats to keep passengers comfortable year-round. The spacious Crew Cab configuration provides excellent passenger room and practicality for both work and family use. Technology features include an 8-inch touchscreen with built-in navigation, Apple CarPlay and Android Auto compatibility, and a Bose premium sound system that delivers rich, high-quality audio. A heads-up display keeps important driving information conveniently within view, helping enhance confidence and convenience behind the wheel.

On the exterior, signature LED headlamps, taillamps, and fog lamps give this Sierra a bold, upscale appearance. The innovative MultiPro six-function tailgate adds impressive versatility, functioning as steps, load stops, and even a convenient work surface for job sites or weekend projects. Advanced safety technologies including lane change alerts with side blind zone alerts, rear cross traffic alerts, and a following distance indicator help provide added peace of mind during every drive.

This quality inspected vehicle has undergone a comprehensive GM dealership inspection and professional reconditioning process to ensure it meets high standards for safety, reliability, and performance. If you're searching for a premium pre-owned truck that blends diesel efficiency, luxury comfort, and heavy-duty capability, this 2020 GMC Sierra 1500 Denali deserves a closer look.
