2020 Chevrolet Equinox

2020 Chevrolet Equinox LT FWD

Smart Utility. Everyday Comfort. Efficient Performance.

The 2020 Chevrolet Equinox LT FWD is a compact SUV designed for drivers who want versatility, style, and fuel efficiency—all in one well-equipped package. With a spacious interior, advanced safety features, and modern connectivity, the LT trim offers exceptional value for families, commuters, and weekend adventurers alike.

Key Features:

- 1.5L Turbocharged Engine – Delivers responsive performance with excellent fuel economy.
- Front-Wheel Drive (FWD) – Smooth handling and efficiency for everyday driving.
- LT Trim Highlights – Includes upgraded cloth seating, LED daytime running lights, and chrome exterior accents.
- Infotainment System – 7” touchscreen with Apple CarPlay®, Android Auto™, Bluetooth®, and available Wi-Fi® hotspot.
- Comfort & Convenience – Keyless entry with push-button start, rearview camera, and dual-zone climate control.
- Safety Features – Chevy Safety Assist includes forward collision alert, lane keep assist, automatic emergency braking, and more.
