2019 Toyota RAV4

The 2019 Toyota RAV4 Hybrid XLE is a well-rounded compact SUV that blends efficiency, practicality, and modern comfort into a stylish package. Featuring a bold, redesigned exterior with sharp lines and LED lighting, it stands out with a more rugged and confident look compared to earlier models. Inside, the XLE trim offers a comfortable and functional cabin with dual-zone climate control, a user-friendly touchscreen infotainment system, multiple USB ports, and premium cloth seating. With seating for five and generous cargo space of over 37 cubic feet, it's built to handle both daily commutes and weekend getaways with ease. The hybrid system delivers an impressive balance of power and fuel efficiency—producing around 219 horsepower while achieving up to about 40 MPG combined—making it one of the most efficient SUVs in its class. Equipped with standard all-wheel drive and advanced safety features like blind-spot monitoring and lane-keeping assist, the RAV4 Hybrid XLE offers confidence, versatility, and value for drivers who want it all.
