2024 Ford Expedition

Introducing the 2024 Ford Expedition Limited, finished in an elegant gray and designed with an advanced 4x4 drive train for superior handling in diverse Canadian terrains. This full-sized SUV blends sophistication with rugged practicality, making it an ideal choice for both urban adventures and country roads.

The exterior boasts a commanding presence with alloy wheels and practical running boards, while the sleek design of the sunroof/moonroof adds an element of luxury. Inside, indulge in the spacious leather-appointed cabin featuring second-row bucket seats and a maximum capacity of 7 passengers. With the comforts of both heated and cooled front seats, this Expedition offers year-round comfort, ensuring every journey is a pleasure.

Packed with modern technology, the Expedition Limited includes a user-friendly navigation system, a smart device integration capability, and Wi-Fi hotspot, keeping you connected wherever you go. Safety is a priority with features such as a comprehensive backup camera, lane assist, adaptive cruise control, and advanced parking sensors. Experience control and peace of mind, whether you're on a summer road trip or navigating winter road conditions.

This 2024 Ford Expedition Limited is perfect for families or individuals who cherish comfort and cutting-edge technology in a vehicle that won't compromise on power and durability. To find out more about this exceptional SUV and how it can become a part of your life, contact your local dealership today.
