2023 GMC Sierra 3500HD

GM CERTIFIED PRE-OWNED RATES @ 3.99% O.A.C *****DUALLY*****

The 2023 GMC Sierra 3500HD Denali 4WD is a premium heavy-duty truck built to handle serious work without sacrificing luxury or refinement. Powered by the legendary 6.6 L Duramax turbo diesel engine, this pre-owned Sierra delivers outstanding towing capability, impressive torque, and confident performance whether you're hauling equipment, towing a trailer, or heading out on a long-distance road trip. With 87,685 kms, this used GMC Sierra 3500HD Denali offers the perfect balance of rugged durability and upscale comfort.

Finished with Denali-exclusive styling, including a bold chrome grille, 20-inch polished aluminum wheels, LED lighting, and power-retractable running boards, this truck makes a strong impression from every angle. Inside, the cabin is exceptionally refined with perforated leather seating, heated and ventilated front seats, heated rear seats, and premium materials throughout. The 8-inch GMC Infotainment System with navigation, Apple CarPlay, Android Auto, and a Bose premium sound system keep you connected and entertained on every drive, while the available heads-up display adds convenience and confidence behind the wheel.

Designed for both capability and safety, this quality inspected vehicle comes equipped with advanced driver assistance technologies including rear cross-traffic alert, lane change alert with side blind zone alert, front and rear park assist, HD Surround Vision, and GMC's ProGrade Trailering System with hitch guidance for added towing confidence.

This 2023 GMC Sierra 3500HD Denali has undergone a comprehensive GM dealership inspection and professional reconditioning process to ensure it meets high quality standards for your peace of mind. If you're searching for a powerful, luxurious, and dependable heavy-duty truck, this Sierra Denali is ready to exceed expectations.

Contact us today to schedule your test drive and experience the capability of this exceptional GMC truck for yourself.
