## 2023 Ford Bronco

The 2023 Ford Bronco Outer Banks 4dr 4x4 brings rugged adventure together with premium comfort and style. Built for drivers who want the legendary off-road performance of the Bronco without sacrificing modern conveniences, it's as at home on city streets as it is on backcountry trails.

Under the hood, the Outer Banks trim comes standard with a 2.3-litre EcoBoost® turbocharged 4-cylinder engine, delivering 300 horsepower and 441 Nm of torque, paired with a 10-speed automatic transmission. With 4x4 and selectable G.O.A.T. Modes™ (Goes Over Any Terrain), this Bronco is built to tackle everything from snow to sand with confidence.

On the outside, the Bronco Outer Banks stands apart with signature LED lighting, painted fender flares, and stylish 18-inch aluminum wheels. The removable doors and roof panels mean open-air freedom whenever adventure calls.

Step inside, and you'll find a cabin designed for comfort and technology. The Outer Banks adds leather-trimmed seats, heated front seats, dual-zone climate control, and a 12-inch SYNC® 4 infotainment system with Apple CarPlay® and Android Auto™. A B&O® premium audio system ensures every journey sounds as good as it feels.

Safety and confidence come standard with Ford Co-Pilot360™, including blind spot monitoring, lane keeping assist, pre-collision assist with automatic emergency braking, and a rearview camera.

Stylish, capable, and built for exploration, the 2023 Ford Bronco Outer Banks 4dr 4x4 is the SUV that takes adventure to the next level.
