History

This silver RAM 1500 Laramie came to us from a local Kamloops customer who found a pre-owned 3500 HD on our lot and made the move up. At just 34,857 kilometres on a 2018 model, this truck has barely been used — roughly 4,300 kilometres a year, which is exceptional by any measure. It carries a 6-inch lift that gives it a commanding stance and genuine off-road capability to match its Laramie luxury trim. The 5.7L HEMI paired with a 4x4 drivetrain and crew cab configuration means it is ready for whatever you throw at it. The full Carfax report is available right on this listing and we are happy to walk you through it together.
