Reviews:

\* Owners of Mustangs from this generation report its best handling, sharpest steering, and most well-sorted ride and handling equation to date. The new looks are generally loved throughout the community, and performance (and sound!) from the V8 engine are very highly rated. Good overall value and powerful headlight performance round out the package. Source: autoTRADER.ca

\* No surprises here. Owners rate the GT350 highly on all aspects of performance, noise, grip, handling, braking, and go-fast styling. This machine is capable of delivering
