2020 GMC Sierra 1500

MORE PICTURES TO COME. Built to take you off the beaten path—or just make your daily drive stand out—the **2020 GMC Sierra 1500 AT4 Crew Cab Standard Box 4WD** delivers a rugged yet refined experience. It stands tall with a **factory-installed 2-inch suspension lift, Rancho monotube off-road shocks, skid plates, a locking rear differential, hill descent control**, and bold **red recovery hooks**—all signaling genuine off-road prowess combined with trail-ready preparedness. Visually, the AT4 differentiates itself with a menacing, blacked-out aesthetic—black chrome grille, dark exterior trim, and available CarbonPro composite bed options offering durability and a lighter weight advantage. Inside, the Sierra delivers practical comfort with modern tech, including the versatile **MultiPro tailgate**, available trailering assistance, and available camera systems—perfect for enhancing both utility and convenience on the road or trail.
