## 2017 Hyundai Tucson

The 2017 Hyundai Tucson Ultimate AWD in striking black is a compact SUV that goes beyond expectations with its upscale design, premium features, and confident all-wheel-drive performance. With just under 98,000 kilometers, this Tucson is a rare find—offering the top-tier Ultimate Package, a smooth ride, and Hyundai’s proven engineering in a stylish, fuel-efficient package.

At the heart of this Tucson is a 1.6L turbocharged GDI engine paired with a 7-speed dual-clutch automatic transmission, delivering an impressive 175 horsepower and 195 lb-ft of torque. The turbocharged engine provides excellent throttle response and highway passing power while maintaining efficiency, making it a great choice for urban commuting and long-distance travel alike. Thanks to this drivetrain, the Tucson Ultimate achieves an estimated 9.9 L/100km city and 8.5 L/100km highway, balancing spirited performance with fuel-conscious sensibility. Its intelligent All-Wheel Drive system adds all-season traction and control, giving you peace of mind in rain, snow, and rough road conditions.

Visually, the black exterior adds a level of sophistication and boldness to the Tucson’s modern design. Sleek body lines, chrome trim, a sporty rear spoiler, and 19-inch alloy wheels elevate its curb appeal. The LED headlights, LED taillights, and panoramic sunroof—all standard with the Ultimate Package—further enhance its premium appearance and create an open, airy atmosphere inside.

Inside, the Ultimate trim lives up to its name with a full suite of luxury and technology. The leather-appointed seating offers premium comfort, and both front seats are heated and ventilated, while the rear seats are heated—ensuring year-round comfort for everyone onboard. The driver’s seat is power-adjustable with memory settings, and the dual-zone automatic climate control allows personalized comfort for the front passengers. The leather-wrapped heated steering wheel adds a luxurious touch, especially on colder days.

Technology is at the forefront in the Ultimate Package. A bright 8-inch touchscreen infotainment system includes navigation, Apple CarPlay, Android Auto, and Bluetooth connectivity, keeping you fully in control and connected wherever you go. The integrated Infinity premium audio system delivers crisp, immersive sound, perfect for music

### OPTIONS
