2019 Jeep Wrangler Unlimited

The 2019 Jeep Wrangler Unlimited Sport 4x4 in a sleek gray finish is the kind of SUV that doesn't just take you places—it dares you to go where most vehicles wouldn't even attempt. With just over 80,000 kilometers on the odometer, this four-door, trail-rated icon is a perfect match for drivers who crave capability, reliability, and timeless Jeep styling. Designed to handle everything from rocky backcountry trails to daily commutes through rain or snow, this Wrangler delivers the full package of adventure-ready durability and refined versatility.

At its core, this 2019 Unlimited Sport is powered by Jeep's trusted 3.6-liter Pentastar V6 engine, one of the most proven and widely respected powerplants in the industry. Producing 285 horsepower and 260 lb-ft of torque, this V6 offers confident acceleration, rock-solid reliability, and plenty of muscle for off-road climbs, highway cruising, or towing your weekend gear. Mated to a smooth-shifting 6-speed manual transmission, this Wrangler is ideal for drivers who value the control and engagement of shifting gears by hand—especially important when crawling over rocks or navigating technical off-road terrain.

Of course, no Jeep would be complete without a robust 4x4 system, and the 2019 Wrangler Unlimited Sport delivers with Jeep's Command-Trac part-time 4WD system. Built to take on mud, sand, snow, and gravel with confidence, it features shift-on-the-fly capability that allows seamless transitions between 2WD and 4WD high, and a 4WD low-range gear for serious off-road challenges. This drivetrain is supported by solid Dana axles, a rugged suspension setup, and ample ground clearance—essential for clearing rocks, roots, and uneven ground without breaking a sweat. Skid plates are standard and protect critical components like the fuel tank and transfer case, allowing you to explore confidently, even in the roughest terrain.

What separates the Unlimited model from its two-door sibling is its incredible versatility. The four-door layout makes this Wrangler a highly practical choice for families, road trippers, or anyone needing extra room for passengers or cargo. Inside, you'll find comfortable seating for five with generous rear-seat legroom and plenty of storage space in the back. Whether you're loading up with camping gear or simply packing up groceries, the Wrangler Unlimited's interior is cleverly designed to adapt to your lifestyle. Split-folding rear seats expand cargo capacity further, making it easy to carry oversized items or outdoor equipment.
