2020 Chevrolet Traverse

2020 Chevrolet Traverse LS AWD

Spacious. Capable. Family-Ready.

The 2020 Chevrolet Traverse LS AWD is a midsize SUV designed to keep up with your busy lifestyle. With seating for up to eight, advanced safety features, and all-wheel-drive confidence, the Traverse LS is perfect for families, commuters, and weekend adventurers alike.

Key Features:

- **3.6L V6 Engine** – Delivers 310 horsepower for smooth acceleration and confident highway performance.
- **All-Wheel Drive (AWD)** – Enhanced traction and control for BC’s changing weather and road conditions.
- **Spacious Interior** – Comfortable seating for up to eight passengers with flexible cargo space.
- **LS Trim Highlights** – Includes rearview camera, tri-zone climate control, and smart storage solutions.
- **Infotainment System** – 7” touchscreen with Apple CarPlay®, Android Auto™, Bluetooth®, and USB ports.
- **Safety & Driver Assistance** – Includes rear park assist, lane departure warning, and available forward collision alert.
