2016 Honda Fit

The 2016 Honda Fit EX is small in size but big on practicality, comfort, and everyday value. With its clever interior design, nimble handling, and strong fuel economy, the Fit EX proves that good things really do come in compact packages.

Powered by a 1.5-litre i-VTEC® 4-cylinder engine, this Fit delivers 130 horsepower and pairs with a CVT (Continuously Variable Transmission) for smooth, responsive driving—perfect for city commutes or weekend road trips. Fuel efficiency is outstanding, with a combined rating as low as 6.5L/100 km, keeping your visits to the pump few and far between.

Step inside, and you’ll immediately notice just how spacious and flexible the Fit really is. Thanks to Honda’s innovative Magic Seat® system, the rear seats can be folded multiple ways—tall mode, long mode, or utility mode—giving you room to haul just about anything. Whether it’s bikes, boxes, or groceries, the Fit adapts in seconds.

The EX trim brings added features like a power sunroof, proximity key with push-button start, heated front seats, and Honda LaneWatch™ blind spot display. A 7-inch touchscreen, Apple CarPlay®, Android Auto™, Bluetooth®, and a rearview camera keep you connected and in control on every drive.

Compact, reliable, and impressively roomy, the 2016 Honda Fit EX is the ideal choice for drivers who want maximum flexibility and minimal hassle—all at a great value.
