2024 Chevrolet Equinox

Discover the 2024 Chevrolet Equinox RS in Iridescent Pearl Tricoat – a stylish, all-wheel-drive SUV designed for confident Canadian drivers seeking safety, comfort, and advanced technology.

This Equinox RS offers a turbocharged 4-cylinder engine paired with a smooth 6-speed automatic transmission, delivering responsive performance and fuel efficiency ideal for city streets or rugged backcountry roads. The AWD system ensures traction and control through changing weather conditions, giving peace of mind on snowy or wet surfaces.

Inside, heated front bucket seats with driver lumbar adjustment provide comfort on chilly mornings, while the power driver seat and pass-through rear bench enhance convenience for daily commutes and weekend adventures. The spacious cabin features multi-zone climate control and privacy glass, ensuring a comfortable and private ride for all passengers.

Safety is paramount with advanced features like blind spot monitoring, lane departure warning, front collision mitigation, and cross-traffic alert, helping you stay aware and protected on every journey. The power liftgate and remote engine start add effortless practicality, while the WiFi hotspot and smart device integration keep you connected wherever you go.

With its striking Iridescent Pearl Tricoat finish and sleek aluminum wheels, this Equinox RS combines style, capability, and technology tailored for your active lifestyle.
