2023 Kia Forte

FREE DELIVERY IN NORTHERN AB/BC!

Smart design meets everyday efficiency in the 2023 Kia Forte EX. This compact sedan delivers modern styling, excellent fuel economy, and advanced technology in a comfortable and practical package.

From the outside, the Forte stands out with its sleek body lines, bold front grille, and sharp LED lighting. Its sporty stance gives it a confident presence on the road while maintaining the efficiency and maneuverability of a compact sedan.

Under the hood, a responsive 2.0L 4 cylinder engine pairs with a smooth automatic transmission to deliver balanced performance and impressive fuel efficiency. The ride is quiet and composed, making the Forte comfortable for both city commuting and highway travel.

Inside, the EX trim adds a refined touch to the cabin. Premium seating materials, heated front seats, and a power adjustable driver's seat create a comfortable driving environment. The interior is thoughtfully designed with a clean dashboard layout, generous rear passenger space, and a large trunk for groceries, luggage, or everyday cargo.

Technology is front and center. The large touchscreen infotainment system includes Apple CarPlay and Android Auto for seamless smartphone integration. A digital driver information display keeps key vehicle data easy to read, while wireless charging and multiple USB ports help keep devices powered.

Safety features enhance confidence on every drive. Forward Collision Avoidance, Blind Spot Monitoring, Lane Keeping Assist, Rear Cross Traffic Alert, and a rear view camera all work together to support driver awareness and peace of mind.
