2025 Volvo V60 Cross Country

2025 Volvo V60 Cross Country B5 (MILD HYBRID)Core - AWD | Panoramic Roof | Google Built-In | Advanced Safety | Rare Luxury Wagon

Luxury without the SUV compromise.

The 2025 Volvo V60 Cross Country delivers elevated ride height, all-wheel drive confidence, and refined Scandinavian design—while maintaining the drive quality, efficiency, and control that only a wagon can offer.

This is one of the **few remaining luxury wagons available in Canada**, making it a standout choice for drivers who want capability without sacrificing driving feel.

Powered by a turbocharged 2.0L mild hybrid engine, the V60 Cross Country offers smooth, responsive performance with improved efficiency. Combined with intelligent AWD and increased ground clearance, it's built for year-round Canadian driving.

Inside, the cabin is clean, modern, and purposefully designed. The panoramic sunroof opens the space with natural light, while Google built-in technology keeps everything seamlessly connected.
