2024 Jeep Compass

The 2024 Jeep Compass Trailhawk 4x4 is built for drivers who want a vehicle that can handle everyday life just as confidently as it tackles weekend adventures. Combining rugged capability with modern technology and comfort, this Trailhawk trim represents the most off-road-ready version of the Compass lineup. With its bold styling, advanced 4x4 system, and refined interior, this SUV delivers the perfect balance of durability, practicality, and modern convenience—making it an outstanding choice in the compact SUV market.

From the moment you see it, the Compass Trailhawk stands out with its unmistakable Jeep design and adventurous personality. Its aggressive front fascia, signature seven-slot grille, and striking LED lighting give it a confident presence on the road. Unique Trailhawk accents, red tow hooks, and rugged body cladding hint at the vehicle's true capabilities beyond pavement. Functional design elements such as increased ground clearance and skid plates reinforce that this is a vehicle built not only for style, but also for real-world performance when the road turns rough.

Inside the cabin, the Jeep Compass surprises with a refined and comfortable environment designed for everyday driving. Premium materials, supportive seating, and thoughtful ergonomics create a space that feels both upscale and practical. The spacious interior offers ample legroom for passengers and versatile cargo space for everything from grocery runs to outdoor gear. Whether commuting through the city or heading out for a weekend escape, the Compass Trailhawk provides a comfortable ride that makes every journey enjoyable.

Technology is front and center in this modern SUV. A large touchscreen infotainment system with intuitive controls keeps you connected with features like Apple CarPlay and Android Auto, allowing seamless access to navigation, music, and smartphone apps. A crisp digital display provides important driving information at a glance, while convenient features such as keyless entry, push-button start, and advanced climate control add everyday convenience. This thoughtful technology integration ensures the Compass Trailhawk feels as modern as it is capable.

Under the hood, the Compass Trailhawk delivers confident performance powered by a responsive turbocharged 2.0L engine paired with Jeep's advanced 4x4 system. The
