2020 Honda HR-V

2020 Honda HR-V Touring AWD

Compact, versatile, and easy to drive, this 2020 Honda HR-V Touring AWD delivers dependable performance with everyday practicality. It's powered by a 1.8L 4-cylinder i-VTEC engine producing 141 horsepower and 127 lb-ft of torque, paired with a smooth automatic transmission and Honda's Real Time AWD system for confident traction in all conditions. With its balanced ride and compact size, the HR-V is ideal for city driving, commuting, and weekend use. As the Touring trim, this HR-V is fully loaded with premium features and advanced technology. Inside, you'll find leather-trimmed seating, heated front seats, navigation, a touchscreen infotainment system with Apple CarPlay and Android Auto, and a premium audio system. The flexible interior also includes Honda's Magic Seat® system, allowing you to easily configure the cabin for passengers or cargo. With its upscale features, smart design, and reliable performance, the HR-V Touring is a well-rounded compact SUV.
