2024 Chevrolet Equinox

This 2024 Chevrolet Equinox 1RS AWD is a one-owner SUV with 27,815 km, combining confident all-wheel-drive capability with bold RS styling and modern technology. Designed for drivers who want both practicality and a sport-forward look, the Equinox delivers a smooth, composed ride with year-round confidence.

The RS Edition enhances the exterior with a unique RS grille, black bowties and badging, black roof rails, window surrounds, and 19-inch Dark Android aluminum wheels, giving this Equinox a distinctive, athletic presence. LED headlamps, daytime running lights, and tail lamps add to its sharp, modern appearance.

Inside, the cabin offers a comfortable and refined driving environment with heated front leather seats, a heated steering wheel, dual-zone automatic climate control, and an 8-way power driver's seat with lumbar support. The power sunroof and deep-tinted rear glass create a bright yet private interior space, while the power liftgate adds everyday convenience. Technology and connectivity are well covered with keyless entry and start, remote vehicle start, Chevrolet Infotainment 3 Plus with an 8-inch touchscreen, Apple CarPlay, Android Auto, Bose premium audio, and built-in OnStar and Wi-Fi capability. Safety is a strong focus, featuring Chevy Safety Assist, front and rear park assist, lane change alert with side blind zone alert, rear cross traffic alert, and adaptive cruise control, providing confidence whether commuting or traveling longer distances.

Stylish, well equipped, and easy to live with, this 2024 Equinox 1RS AWD is an excellent choice for drivers looking for a modern SUV that blends sporty design, comfort, and advanced safety.
