2024 Ford F-150

The 2024 Ford F-150 XLT in pristine White, coupled with a robust 4x4 drivetrain, delivers outstanding handling and adaptability for diverse terrains. Its SuperCrew build features a 5.5' box, providing ample capacity and flexibility for both work and leisure.

The exterior is characterized by a powerful stance and practical elements like running boards and heated mirrors. Step inside to find a spacious interior adorned in Gray, featuring comfortable seating for six passengers. The leatherette steering wheel adds a touch of refinement, further enhancing the driving experience.

Equipped with advanced technology, this F-150 incorporates a navigation system and smart device integration, ensuring seamless connectivity. The backup camera, parking sensors, lane assist, and brake assist provide an enhanced safety suite, allowing peace of mind for every journey, whether city-bound or on rugged paths. Additional convenience features such as remote start, a wi-fi hotspot, and satellite radio cater to modern needs, making every drive enjoyable.

Whether you're an adventurer, a family wanting extra space, or someone with heavy-duty towing needs, this F-150 XLT is perfect for you. Contact our dealership today to learn more about the features of this versatile truck and to arrange a test drive.
