## 2024 GMC Sierra 1500

Experience commanding capability and refined comfort with the 2024 GMC Sierra 1500 Denali, designed for drivers who demand power, technology, and premium features in every journey.

This Sterling Metallic Sierra 1500 Denali combines a robust turbocharged straight-six diesel engine with a smooth 10-speed automatic transmission, delivering impressive torque and fuel efficiency for work or adventure. The 4x4 drivetrain and locking limited-slip differential provide exceptional traction and control across all terrains and weather conditions, making it ideal for Canadian roads and rugged landscapes. Inside, the crew cab offers luxurious leather seating with heated and cooled front seats, heated rear seats, and adjustable lumbar support, ensuring comfort on long hauls or daily drives. Memory settings for driver and passenger seats add convenience and personalization. Safety is paramount with advanced features like adaptive cruise control, blind spot monitoring, lane keeping assist, front collision mitigation, and an aerial view display system for precise manoeuvring. The integrated tailgate step and running boards enhance accessibility, while the premium sound system and smart device integration keep you connected and entertained. With its combination of strength, technology, and upscale touches, the Sierra 1500 Denali is the perfect partner for those who value capability without compromising on comfort and style.
