## 2024 GMC Sierra 2500HD

The **2024 GMC Sierra 2500HD Denali 4WD Crew Cab Standard Box** is a premium heavy-duty truck that delivers exceptional power, luxury, and capability. With just **49,025 km**, it's in excellent condition and ready to handle both demanding jobs and everyday driving with ease. Built for performance, this Sierra 2500HD Denali offers impressive towing and hauling capability, making it an ideal choice for work, recreation, or hauling trailers and equipment.

Under the hood, it's equipped with a powerful engine designed to deliver strong torque and dependable performance, paired with a smooth-shifting heavy-duty automatic transmission. The **4WD system** ensures maximum traction and stability in all conditions, whether you're driving through snow, mud, or rough terrain, making it especially well-suited for Canadian climates.

Inside, the Denali trim provides a high-end, refined interior with premium materials and attention to detail throughout. The spacious Crew Cab offers plenty of legroom for passengers, while features like **leather-appointed seating, heated and ventilated front seats, and a heated steering wheel** ensure comfort in every season. The cabin is quiet and well-insulated, giving it a luxury feel that stands out in the heavy-duty truck segment.

Technology is a major highlight, with a large touchscreen infotainment system that includes **Apple CarPlay and Android Auto**, built-in navigation, a premium sound system, and multiple USB ports. Advanced features such as a **360-degree camera system, front and rear parking sensors, and trailer assist technologies** make towing and maneuvering easier and safer.

Safety is also top-tier, with features like forward collision alert, lane departure warning, blind spot monitoring, and rear cross-traffic alert, helping provide peace of mind on every drive.

On the exterior, the Denali stands out with its bold and upscale design, featuring a signature chrome grille, LED lighting, alloy wheels, and a durable Standard Box that offers excellent cargo capacity. This truck combines rugged capability with premium styling, making it just as impressive on the job site as it is on the road.
