## 2023 Ford Mustang

The 2023 Ford Mustang GT is a classic American muscle car that delivers thrilling performance and unmistakable style. Powered by a 5.0-liter V8 producing around 450 horsepower, it offers strong acceleration and a signature exhaust note that enthusiasts love. With rear-wheel drive and the choice of a manual or 10-speed automatic transmission, it provides an engaging driving experience whether on city streets or open highways. The Mustang GT is available as both a coupe and convertible, combining sporty design with everyday usability, including modern tech like a touchscreen infotainment system and advanced safety features. As one of the final model years of its generation, the 2023 Mustang GT blends heritage, performance, and modern convenience into an iconic package that continues to stand out on the road.
