Reviews:

* Focus ST owners tend to rave about performance, great ride quality that's expertly set between sporty and comfortable, a great shifter and clutch combination, the snarly engine note, good fuel economy, and solid feature content for the money. Steering and handling are also highly rated, as is the Sony stereo system. Source: autoTRADER.ca

AS-IS PRE-OWNED VEHICLE

This vehicle is part of our AS-TRADED inventory. Instead of sending this recent trade-in to a dealer auction, we are offering it to our retail customers first. This is a unique opportunity to purchase a vehicle exactly as it arrived.

The Wholesale Advantage:

- Unbeatable Pricing: Priced 30-50% below typical market value because we have not added any reconditioning costs.

- Raw & Uninspected: We have not performed a mechanical inspection. You are purchasing the vehicle in its original, untouched condition.
