2024 Ram 2500

Experience heavy duty capability and everyday comfort with the 2024 Ram 2500 Big Horn. Built for demanding work and confident towing, this truck delivers rugged performance wrapped in bold, modern styling. Its muscular grille, aggressive stance, and strong body lines make a powerful first impression on the road or at the job site.

Inside, the Big Horn trim offers a spacious and practical cabin designed for long days behind the wheel. Comfortable seating, durable materials, and a clean layout keep everything easy to reach. The wide interior provides excellent room for passengers, while smart storage solutions help keep tools, gear, and personal items organized and secure.

Under the hood, the Ram 2500 Big Horn delivers serious power. When properly equipped, this truck offers impressive towing capability, making it a dependable choice for trailers, equipment, and commercial use. The solid rear axle and heavy duty suspension are engineered to handle tough jobs day after day.

Technology supports both work and convenience. The touchscreen infotainment system integrates with Apple CarPlay and Android Auto, keeping navigation, calls, and music easy to manage. A digital driver display provides clear vehicle and towing information, while multiple power outlets help keep tools and devices charged throughout the day.

Safety features add confidence in busy environments. Forward Collision Warning, Blind Spot Monitoring, a Rear View Camera, and advanced stability control systems help enhance awareness and control on the road and at the worksite.

Strong, capable, and built to perform, the 2024 Ram 2500 Big Horn delivers heavy duty strength with the comfort and technology drivers expect. Book your test drive with Bannister GP Honda today!
