2024 Chevrolet Equinox EV

*GM CERTIFIED PRE-OWNED RATES @ 0.99% O.A.C

Step into the future of driving with this bold and efficient 2024 Chevrolet Equinox EV RS FWD, a sporty all-electric SUV designed to elevate your daily commute. With just 24,243 km and a clean, accident-free history, this pre-owned Equinox EV delivers modern styling, advanced technology, and exceptional value. Its RS trim stands out with blacked-out badging, red interior accents, and sleek sport-inspired design, making a confident statement on the road.

Built for smooth, efficient performance, this front-wheel drive electric SUV offers quiet acceleration and the convenience of one-pedal driving, perfect for both city traffic and highway cruising. Inside, the tech-forward cabin features a stunning 17.7-inch infotainment screen paired with an 11-inch digital gauge cluster, both enhanced by built-in Google functionality for seamless navigation and connectivity. Comfort is a priority with heated and ventilated front seats, heated rear seats, a heated steering wheel, and an 8-way power-adjustable driver's seat. Convenience features like a hands-free tailgate, remote start, Wi-Fi hotspot, and parking sensors make every drive easier and more enjoyable.

Safety and driver assistance features provide added peace of mind, while the electric powertrain helps reduce fuel costs and maintenance over time. This quality inspected vehicle has undergone a comprehensive professional inspection and reconditioning process at our GM dealership, ensuring it meets the highest standards for performance, safety, and long-term reliability.

Don't miss your opportunity to own this stylish and innovative pre-owned Chevrolet Equinox EV RS. Contact us today to schedule your test drive and experience electric driving with confidence.
