2024 Chevrolet Colorado

*GM CERTIFIED PRE-OWNED RATES @ 3.99% O.A.C

Built for hard work and everyday practicality, this 2024 Chevrolet Colorado Work Truck 4WD delivers impressive capability, modern technology, and excellent value in a midsize pickup package. With just 45,400 kms, a clean no-accident history, and one-owner ownership, this used Chevrolet Colorado is a smart choice for drivers looking for dependable truck performance with the confidence of a well-maintained, pre-owned vehicle.

Under the hood, the responsive 2.7L turbocharged engine paired with an 8-speed automatic transmission provides strong acceleration, excellent torque, and a towing capacity of up to 7,700 lbs. Whether you're hauling equipment, towing a trailer, or commuting through changing road conditions, the 4WD system delivers added traction and confidence when you need it most. The rugged brown exterior paired with a black interior gives this Colorado a distinctive and professional appearance that stands out from the crowd.

Inside, the cabin is designed with functionality and comfort in mind. The large 11.3-inch diagonal touchscreen offers easy access to wireless Apple CarPlay and Android Auto, while the 8-inch digital instrument cluster keeps important driving information clearly in view. Push-button start, multiple USB ports, and single-zone climate control add convenience for everyday driving and job site use alike.

Safety is also a major highlight thanks to Chevy Safety Assist, which includes Automatic Emergency Braking, Forward Collision Alert, Front Pedestrian Detection, Lane Keep Assist with Lane Departure Warning, Following Distance Indicator, and IntelliBeam automatic high beams for added peace of mind on the road.

This quality inspected vehicle has undergone a professional inspection and reconditioning process at our GM dealership, ensuring high standards for safety, reliability, and long-term ownership confidence.
