2026 Kia Seltos

Enjoy your daily drive in our 2026 Kia Seltos EX AWD in Pluton Blue. Powered by a 2.0 Litre 4 Cylinder supplying 146hp to a CVT for an intelligent approach to modern capability. This All Wheel Drive SUV also features torque vectoring with a Center Lock mode for trail-ready traction, and it sees approximately 7.6L/100km on the highway. Our Seltos sets a high bar for style with LED lighting, silver skid-plate accents, a black/chrome grille, black side sills, alloy wheels, and roof rails. It's a bold, rugged look that SUV fans love.

Heated Syntex front seats, 10-way power driver's seat, leather-wrapped steering wheel, automatic climate control, remote start, and Smart Key with pushbutton ignition help create a comfortable setting in our EX cabin. You can put the power of technology on your side with a 10.25-inch driver display and a 10.25-inch touchscreen that helps support full-color navigation, Apple CarPlay®/Android Auto®, wireless charging, Bluetooth®, and a six-speaker sound system with SiriusXM compatibility. Of course, there's still room left for plenty of gear, too!

Kia focuses on safety with smart driver assistance systems, including automatic braking, blind-spot monitoring, lane-keeping assistance, forward collision warning, a rearview camera, rear cross-traffic alert, a driver attention monitor, and more. With features like those, our Seltos EX takes on your roads your way! Save this Page and Call for Availability. We Know You Will Enjoy Your Test Drive Towards Ownership!

OPTIONS

- ✓ Air Conditioning
- ✓ Alloy Wheels
